Music Development Plans

The NPME said that each school should develop a 'School Music Development Plan' this year which sets out how the school will deliver high quality curriculum, co-curricular and enrichment for all pupils and include a 'Music Progression Strategy' - how will pupils pursue music beyond the core curriculum? Use this template to help you

NPME guidance

Do we do
this now?

If not, how will this be
implemented?

How will we track whether
the plan is working?

Music at EYFS

Curriculum Music

- developed by a music specialist
- delivered by a music specialist
- a minimum of one hour of music teaching a week for each class

Small Group and 1:1 lessons

- Children can learn a range of instruments and voice.
- Schools support this through funding support (PP)
- Lessons take place during the school day,
- There is space for rehearsals and individual practice
- There are opportunities outside school like concerts
- There is space to store instruments

Co-Curricular Music

- School choir
- School ensemble/band/group

Performances

- Student performances happen termly
- Opportunity to enjoy live music performance at least once a year

Additional Considerations

What do we do now?

What will be implemented additionally?

How will we track whether the plan is working?

Transition work with local secondary schools

Pupil Premium and SEND provision

Communication with parents

Measuring progression and assessment

Other

Immediate Actions
